

NYMEP Board of Directors Nomination

Nomination process: Typically 90 days prior to the association's annual membership meeting the Nomination Committee solicits members for the participation in the Board of Directors. Nomination to the Board is open throughout the calendar year and we encourage all members to consider the opportunity in joining the Board.

Board of Director term is two years. In serving, Board members are expected to attend all board meetings, actively participate within the association's committees and work to advance and improve the industry. Typically there are four Board meetings throughout the year; 3 conference calls and 1 in person meeting.
